DESCRIPTION

Very young, light grey and black, beautiful markings. Clearly someone's pet, very clean but afraid of loud sounds outside and allowed me to walk home in my arms. Not chipped. Eats well and pees and poops well-no apparent illness or injury. Playful, sweet natured. But I cannot keep him-am on Medicare and have health issues. He needs someone to raise him responsibly-I just couldn't in all conscience leave him there alone. Please call or text the number I have given.
